### Tremont School Parental Permission Form for World Wide Web Publishing

Name of Student \_\_\_\_\_ Date \_\_\_\_\_

Name of Parent \_\_\_\_\_

We need your help. Web pages help keep parents and community informed about the activities taking place within our school, but they seem empty without images of our students.

Maine State law prohibits the publication of student photos without parental permission. By signing this form, you are telling us that you will not object to seeing your student's photo on our web site when we want to show her or him at work or play in school activities. Only first names will be published to credit student work and activities. All published materials will require prior approval by staff.

---

\_\_\_\_ I give permission for the World Wide Web publication of my daughter/son's photograph. I understand that there will be no full names or personal contact information. I also understand that this granted permission will continue to be in effect for my student's career in Union 98 Schools, unless that permission is revoked.

Parent/guardian signature \_\_\_\_\_ Date \_\_\_\_\_

I, the student, also give my permission for such publishing.
